September Assessment	xxviii

Course Information

Part I

Modelling

Developing Models

0.1 Fermi Estimation

0.2 Graphing Relationships

0.3 Linear Models

0.4 Quadratic Models

0.5 Exponential Models

0.6 Recurrence Models

Review

Units of Measure

0.7 Test

0.8 Test

0.9 Test

0.10 Test

0.10.1 Testing

0.10.2 Testing

0.11 Test

0.11.1 Testing

0.11.1.1 Still Testing

Error and Tolerance

Using Models

Spreadsheets Skills

Part II

Statistics

Probability

Statistical Literacy

Statistical Diagrams

Descriptive Statistics

Hypothesis Testing

Confidence Intervals

Part III

Project

Overview

Part IV

Finance

Financial Products

Interest

Salaries and Pensions

Part V

Planning

Project Planning

Expectedated Value

Part VI

Revision

September Assessment
